

Refund policy

Given the current situation, due to COVID-19, please consider the following:

Should the season not be played, a full refund will be provided.

If there is a shortened season, the pro-rated formula remains the same and would be based on a number of weeks, less than 20.

If an isolation order is issued by the Province after the season starts, a pro-rated refund will be issued depending on the actual costs of the season.

Chebucto Minor Hockey's Registration rate is based on 20 weeks of hockey and any refunds, if approved, are based on the pro-rated number of weeks remaining.

Refunds after October 15th are subject to a \$65 insurance fee.

Registration refunds do not apply to conditioning camps, try out fees and team fees.

There is no refund for season ending suspensions.

There is no refund until all CMHA uniforms are returned.

There is no refund for missed sessions or retroactive requests.

If payment of fees were by credit card any refund is subject to a \$25 administrative fee.

Players in our U7 Divisions are eligible for a full, prorated refund at any time during their first year of registration.

Players requesting a voluntary refund (to play other sports or pursue other interests) will be eligible for a prorated refund up until December 31st. No refunds after December 31st.

Players requesting a non- voluntary refund (relocation, season ending injury, medically unfit) will receive a full pro-rated refund at any time during the season.

Refunds for voluntary withdrawals will not be processed until team expenses, that are a fixed cost up to the date of withdrawal, have been honoured.

Refunds requests should be forwarded to treasurer@chebuctominorhockey.com and registrar@chebuctominorhockey.com
